To consider and, if thought fit, to pass the following resolution as an **ordinary resolution**:

If the Shareholder appoints two proxies and the appointment does not specify this proportion, each proxy may exercise half of the votes. A proxy need not be a Shareholder of the Company.
2. Where a voting exclusion applies, the Company need not disregard a vote if it is cast by the person who is entitled to vote in accordance with the directions on the Proxy Form or it is cast by the chair of the Meeting as proxy for a person who is entitled to vote, in accordance with a direction on the Proxy Form to vote as the proxy decides.

EXPLANATORY STATEMENT

This Explanatory Statement is intended to provide Shareholders with sufficient information to assess the merits of the Resolutions contained in the Notice.

The Directors recommend that Shareholders read this Explanatory Statement in full before making any decision in relation to the Resolutions.

1. FINANCIAL STATEMENTS AND REPORTS

The business of the Annual General Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2021 together with the declaration of the directors, the directors' report, the remuneration report and the auditor's report.

The Company is not required to provide a hard copy of the Company's annual financial report to Shareholders unless a Shareholder has specifically elected to receive a printed copy.

Whilst the Company will not provide a hard copy of the Company's annual financial report unless specifically requested to do so, Shareholders may view the Company annual financial report on its website at www.horizonminerals.com.au.

Shareholders will be offered the following opportunities including by the virtual meeting platform:

- (a) discuss the annual financial report for the financial period ended 30 June 2021;
- (b) ask questions and make comment on the management of the Company; and
- (c) ask the auditor questions about the conduct of the audit, preparation and content of the auditor's report, the accounting policies adopted by the Company in relation to the preparation of the financial statements and the independence of the auditor in relation to the conduct of the audit.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the Remuneration Report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the Directors or the Company.

The Remuneration Report sets out the Company's remuneration arrangements for the Directors and senior management of the Company. The Remuneration Report is part of the Directors' Report contained in the annual financial report of the Company for the financial year ending 30 June 2021.

A reasonable opportunity will be provided for questions about or comments on the Remuneration Report at the Annual General Meeting.

2.2 **Voting Consequences**

Under the Corporations Act, if 25% or more of votes that are cast are voted against the adoption of the Remuneration Report at two consecutive annual general meetings, Shareholders will be required to vote at the second of those annual general meetings on a resolution (a "Spill Resolution") that another general meeting be held within 90 days at which all of the Directors (other than the Managing Director) must go up for re-election.

2.3 **Previous voting results**

At the Company's previous annual general meeting, the votes cast against the Remuneration Report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Meeting.

2.4 **Proxy restrictions**

If you choose to appoint a proxy, you are encouraged to direct your proxy how to vote on this Resolution (Remuneration Report) by marking either "For", "Against" or "Abstain" on the Proxy Form for this Resolution.

If you appoint a member of the key management personnel whose remuneration details are included in the Remuneration Report (who is not the Chairman) or a closely related party of that member as your proxy, and you do not direct that person on how to vote on this Resolution, the proxy cannot exercise your vote and your vote will not be counted in relation to this Resolution.

The Chairman intends to vote all undirected proxies in favour of this Resolution. If the Chairman of the Meeting is appointed as your proxy and you have not specified the way the Chairman is to vote on this Resolution, by signing and returning the Proxy Form you are giving express authorisation for the Chairman to vote the proxy in accordance with the Chairman's intention.

Key management personnel of the Company are the Directors and those other persons having authority and responsibility for planning, directing and controlling the activities of the Company, directly or indirectly. The Remuneration Report identifies the Company's key management personnel for the financial year to 30 June 2021. Their closely related parties are defined in the Corporations Act, and include certain of their family members, dependants and companies they control.

3. **RESOLUTION 2 – RE-ELECTION OF DIRECTOR – MR PETER BILBE**

Rule 7.3 of the Constitution requires that at each annual general meeting, one-third of directors for the time being (rounded down to the nearest whole number) shall retire from office and that a Director that so retires is eligible for re-election. Additionally, Listing Rule 14.4 provides that a Director must retire from office no later than the longer of the third annual general meeting of the Company or 3 years following that Director's last election or appointment. The retirement rules do not apply to the managing director.

Mr Peter Bilbe was last re-elected as a Director at the 2019 annual general meeting on 29 November 2019. Mr Bilbe retires by rotation in accordance with the Constitution, and being eligible, offers himself for re-election as a Director.

Mr Bilbe is a Non-Executive Director of the Company. Details of the qualifications and experience of Mr Bilbe is set out in the Company's Annual Report 2021.

The Board of the Company recommends the re-election of Mr Bilbe as a Director.

4. RESOLUTION 3 – APPROVAL OF ADDITIONAL 10% CAPACITY

4.1 Background

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Under Listing Rule 7.1A, however, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%.

An "*eligible entity*" means an entity which is not included in the S&P/ASX 300 Index and which has a market capitalisation of \$300 million or less. The Company is an eligible entity for these purposes.

This Resolution seeks Shareholder approval by way of special resolution for the Company to have the additional 10% capacity provided for in Listing Rule 7.1A to issue equity securities without Shareholder approval.

If this Resolution is passed, the Company will be able to issue equity securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If this Resolution is not passed, the Company will not be able to access the additional 10% capacity to issue equity securities without shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing equity securities without Shareholder approval set out in Listing Rule 7.1.

4.2 Specific information required by Listing Rule 7.3A

(i) Period for which approval is valid

An approval under Listing Rule 7.1A commences on the date of the annual general meeting at which the approval is obtained and expires on the first to occur of the following:

- (a) The date that is 12 months after the date of the annual general meeting at which the approval is obtained.
- (b) The time and date of the Company's next annual general meeting.
- (c) The time and date of the approval by Shareholders of a transaction under Listing Rule 11.1.2 or Listing Rule 11.2.

(ii) Minimum price at which equity securities may be issued

Any equity securities issued under Listing Rule 7.1A must be in an existing quoted class of the eligible entity's equity securities and issued for a cash consideration per security which is not less than 75% of the volume weighted average market price for securities in that class, calculated over the 15 Trading Days on which trades in that class were recorded immediately before:

- (a) the date on which the price at which the securities are to be issued is agreed by the entity and the recipient of the securities; or
- (b) if the securities are not issued within 10 Trading Days of the date in paragraph (a), the date on which the securities are issued.

(iii) Purposes for which funds raised may be used

Equity securities can only be issued under Listing Rule 7.1A for a cash consideration. Funds raised by the issue of equity securities under Listing Rule 7.1A may be used for the continued development of the Company's current assets, the acquisition of new assets or other investments (including expenses associated with such acquisition), and for general working capital.

(iv) Risk of economic and voting dilution

If this Resolution is approved by Shareholders and the Company issues equity securities under Listing Rule 7.1A, the existing Shareholders' voting power in the Company will be diluted.

There is a risk that:

- (a) the market price for the equity securities in that class may be significantly lower on the issue date than on the date of the Shareholder approval under Listing Rule 7.1A; and
- (b) the equity securities may be issued at a price that is at a discount to the market price for those equity securities on the issue date.

The table below shows the potential dilution of existing Shareholders on the basis of 3 different assumed issue prices and values for variable "A" in the formula in Listing Rule 7.1A.2. This includes one example that assumes that "A" is double the number of Shares on issue at the time of the approval under Listing Rule 7.1A and that the price of Shares has fallen by 50%.

Number of Shares on Issue (Variable "A" in Listing Rule 7.1A.2)	Number of Shares issued under additional 10% capacity	Dilution		
		Funds raised based on issue price of 5.25 cents	Funds raised based on issue price of 10.5 cents	Funds raised based on issue price of 21 cents
		(50% decrease in current issue price)	(Current issue price)	(100% increase in current issue price)
567,975,200 (Current)*	56,797,520	\$2,981,870	\$5,963,740	\$11,927,479
851,962,800 (50% increase)	85,196,280	\$4,472,805	\$8,945,609	\$17,891,219
1,135,950,400 (100% increase)	113,595,040	\$5,963,740	\$11,927,479	\$23,854,958

*The number of Shares on issue (variable "A" in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

The table has been prepared on the following assumptions:

1. The current Shares on issue are the Shares on issue as at 29 September 2021.
2. The issue price set out above is the closing price of the Shares on the ASX on 29 September 2021.

3. The Company issues the maximum number of equity securities available under the additional 10% capacity.
4. No Options are exercised into Shares before the date of the issue of the equity securities.

(v) Allocation Policy

The Company's allocation policy for the issue of equity securities under the additional 10% capacity will depend on the prevailing market conditions at the time of any proposed issue. The identity of the allottees of equity securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:

- (a) the methods of raising funds that are available to the Company, including but not limited to, a rights issue or other issue in which existing security holders can participate;
- (b) the effect of the issue of the equity securities on the control of the Company;
- (c) the financial situation and solvency of the Company; and
- (d) advice from corporate, financial and broking advisers (if applicable).

The allottees under the additional 10% capacity have not been determined as at the date of this Notice but may include existing substantial shareholders and/or new Shareholders who are not related parties or associates of a related party of the Company and may include new investors who have not previously been Shareholders.

(vi) Equity securities issued under Listing Rule 7.1A.2 in the previous 12 months

The Company has not issued or agreed to issue any equity securities under Listing Rule 7.1A.2 in the 12 months preceding this Meeting.

(vii) Voting Exclusion Statement

A voting exclusion statement is included in the Notice. At the date of the Notice, the Company has not approached any particular existing shareholder or security holder or an identifiable class of existing security holder to participate in the issue of the equity securities. No existing shareholder's votes will therefore be excluded under the voting exclusion in the Notice.

YOUR VOTE IS IMPORTANT

For your proxy appointment to be effective it must be received by **2:00pm (AWST) on Wednesday, 24 November 2021.**

Proxy Form

How to Vote on Items of Business

All your securities will be voted in accordance with your directions.

APPOINTMENT OF PROXY

Voting 100% of your holding: Direct your proxy how to vote by marking one of the boxes opposite each item of business. If you do not mark a box your proxy may vote or abstain as they choose (to the extent permitted by law). If you mark more than one box on an item your vote will be invalid on that item.

Voting a portion of your holding: Indicate a portion of your voting rights by inserting the percentage or number of securities you wish to vote in the For, Against or Abstain box or boxes. The sum of the votes cast must not exceed your voting entitlement or 100%.

Appointing a second proxy: You are entitled to appoint up to two proxies to attend the meeting and vote on a poll. If you appoint two proxies you must specify the percentage of votes or number of securities for each proxy, otherwise each proxy may exercise half of the votes. When appointing a second proxy write both names and the percentage of votes or number of securities for each in Step 1 overleaf.

A proxy need not be a securityholder of the Company.

SIGNING INSTRUCTIONS FOR POSTAL FORMS

Individual: Where the holding is in one name, the securityholder must sign.

Joint Holding: Where the holding is in more than one name, all of the securityholders should sign.

Power of Attorney: If you have not already lodged the Power of Attorney with the registry, please attach a certified photocopy of the Power of Attorney to this form when you return it.

Companies: Where the company has a Sole Director who is also the Sole Company Secretary, this form must be signed by that person. If the company (pursuant to section 204A of the Corporations Act 2001) does not have a Company Secretary, a Sole Director can also sign alone. Otherwise this form must be signed by a Director jointly with either another Director or a Company Secretary. Please sign in the appropriate place to indicate the office held. Delete titles as applicable.
