There is no voting exclusion statement.

## VOTING AND PROXIES

1. A Shareholder of the Company entitled to attend and vote is entitled to appoint not more than two proxies. Where more than one proxy is appointed, each proxy must be appointed to represent a specified proportion of the Shareholder's voting rights. If the Shareholder appoints two proxies and the appointment does not specify this proportion, each proxy may exercise half of the votes. A proxy need not be a Shareholder of the Company.
2. Where a voting exclusion applies, the Company need not disregard a vote if it is cast by the person who is entitled to vote in accordance with the directions on the Proxy Form or it is cast by the chair of the Meeting as proxy for a person who is entitled to vote, in accordance with a direction on the Proxy Form to vote as the proxy decides.
3. The chair of the Meeting will vote undirected proxies on, and in favour of, all of the proposed resolutions, including Resolution 1. The Proxy Form expressly authorises the chair of the Meeting to exercise the proxy in relation to Resolution 1 even though this Resolution is connected directly or indirectly with the remuneration of a member of key management personnel. Any undirected proxies held by a Director, any member of the key management personnel or any of their closely related parties (who are not the chair) will not be voted on Resolution 1.
4. Key management personnel of the Company are the Directors and those other persons having authority and responsibility for planning, directing and controlling of the activities of the Company, directly or indirectly. Closely related parties are defined in the Corporations Act, and include certain family members, dependants and companies controlled by key management personnel.
5. In accordance with Regulation 7.11.37 of the Corporations Act, the Directors have set a date to determine the identity of those entitled to attend and vote at the Meeting. The date is 18 November 2023 at 2:00 pm (WST).

**EXPLANATORY STATEMENT**

---

This Explanatory Statement is intended to provide Shareholders with sufficient information to assess the merits of the Resolutions contained in the Notice.

The Directors recommend that Shareholders read this Explanatory Statement in full before making any decision in relation to the Resolutions.

## **1. FINANCIAL STATEMENTS AND REPORTS**

The business of the Annual General Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2023 together with the declaration of the directors, the directors' report, the remuneration report and the auditor's report.

The Company is not required to provide a hard copy of the Company's annual financial report to Shareholders unless a Shareholder has specifically elected to receive a printed copy.

Whilst the Company will not provide a hard copy of the Company's annual financial report unless specifically requested to do so, Shareholders may view the Company annual financial report on its website at [www.horizonminerals.com.au](http://www.horizonminerals.com.au).

Shareholders will be offered the following opportunities:

- (a) discuss the annual financial report for the financial period ended 30 June 2023;
- (b) ask questions and make comment on the management of the Company; and
- (c) ask the auditor questions about the conduct of the audit, preparation and content of the auditor's report, the accounting policies adopted by the Company in relation to the preparation of the financial statements and the independence of the auditor in relation to the conduct of the audit.

## **2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT**

### **2.1 General**

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the Remuneration Report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the Directors or the Company.

The Remuneration Report sets out the Company's remuneration arrangements for the Directors and senior management of the Company. The Remuneration Report is part of the Directors' Report contained in the annual financial report of the Company for the financial year ending 30 June 2023.

A reasonable opportunity will be provided for questions about or comments on the Remuneration Report at the Annual General Meeting.

## **2.2 Voting Consequences**

Under the Corporations Act, if 25% or more of votes that are cast are voted against the adoption of the Remuneration Report at two consecutive annual general meetings, Shareholders will be required to vote at the second of those annual general meetings on a resolution (a "Spill Resolution") that another general meeting be held within 90 days at which all of the Directors (other than the Managing Director) must go up for re-election.

## **2.3 Previous voting results**

At the Company's previous annual general meeting, the votes cast against the Remuneration Report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Meeting.

## **2.4 Proxy restrictions**

If you choose to appoint a proxy, you are encouraged to direct your proxy how to vote on this Resolution (Remuneration Report) by marking either "For", "Against" or "Abstain" on the Proxy Form for this Resolution.

If you appoint a member of the key management personnel whose remuneration details are included in the Remuneration Report (who is not the Chairman) or a closely related party of that member as your proxy, and you do not direct that person on how to vote on this Resolution, the proxy cannot exercise your vote and your vote will not be counted in relation to this Resolution.

The Chairman intends to vote all undirected proxies in favour of this Resolution. If the Chairman of the Meeting is appointed as your proxy and you have not specified the way the Chairman is to vote on this Resolution, by signing and returning the Proxy Form you are giving express authorisation for the Chairman to vote the proxy in accordance with the Chairman's intention.

Key management personnel of the Company are the Directors and those other persons having authority and responsibility for planning, directing and controlling the activities of the Company, directly or indirectly. The Remuneration Report identifies the Company's key management personnel for the financial year to 30 June 2023. Their closely related parties are defined in the Corporations Act, and include certain of their family members, dependants and companies they control.

## **3. RESOLUTION 2 – RE-ELECTION OF DIRECTOR – JONATHAN PRICE**

Rule 7.3 of the Constitution requires that at each annual general meeting, one-third of directors for the time being (rounded down to the nearest whole number) shall retire from office and that a Director that so retires is eligible for re-election. Additionally, Listing Rule 14.4 provides that a director must retire from office no later than the longer of the third annual general meeting of the Company or 3 years following that Director's last election or appointment. The retirement rules do not apply to the managing director.

Mr Jonathan Price has been a Director since 1 January 2016 and has served as Managing Director from 1 January 2016 until 30 June 2023. From this date, Mr Price has held the office of a Non-Executive Director. The retirement rules therefore now apply to Mr Price. He retires by rotation in accordance with the Constitution, and being eligible, offers himself for re-election as a Director.

Mr Price is a Non-Executive Director of the Company. Details of the qualifications and experience of Mr Price is set out in the Company's 2023 Annual Report.

The Board of the Company (with Mr Price abstaining) recommends the re-election of Jonathan Price as a Director.

## **4. RESOLUTION 3 – RATIFICATION OF PLACEMENT SHARES**

### **4.1 Background**

On 31 March 2023 and 4 April 2023 ("Issue Dates"), the Company issued a total of 74,137,461 Shares by a placement to exempt investors ("Issue"). This Resolution seeks to ratify the Issue of these Shares.

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

The Issue does not fit within any of these exceptions and, as it has not yet been approved by the Company's Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the Issue Dates.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the Company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1.

To this end, this Resolution seeks Shareholder approval to the Issue under and for the purposes of Listing Rule 7.4.

If this Resolution is passed, the Issue will be excluded in calculating the Company's 15% limit in Listing Rule 7.1, effectively increasing the number of equity securities it can issue without Shareholder approval over the 12 month period following the Issue Dates.

If this Resolution is not passed, the Issue will be included in calculating the Company's 15% limit in Listing Rule 7.1, effectively decreasing the number of equity securities it can issue without Shareholder approval over the 12 month period following the Issue Dates.

### **4.2 Listing Rule 7.5**

For Shareholders to approve the Issue under and for the purposes of Listing Rule 7.4, the following information is provided to Shareholders in accordance with Listing Rule 7.5:

- (a) The securities were issued to sophisticated, professional and other investors exempt from or outside the disclosure requirements under Chapter 6D of the Corporations Act. None of the subscribers is a related party of the Company.
- (b) The number of securities issued was 74,137,461 Shares.
- (c) The Shares are fully paid ordinary shares in the Company and rank equally with the Company's current issued shares.
- (d) 61,293,016 Shares were issued on 31 March 2023 and 12,844,445 were issued on 4 April 2023.

- (e) The Shares were issued at 4.5 cents each.
- (f) The purpose of the issue of the Shares is to raise funds that are intended to be used for the Cannon underground gold mine, drilling at the Cannon and Pennys Find gold project and for general working capital.
- (g) The securities were not issued under an agreement.

## 5. RESOLUTION 4 – APPROVAL OF ADDITIONAL 10% CAPACITY

### 5.1 Background

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Under Listing Rule 7.1A, however, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%.

An "*eligible entity*" means an entity which is not included in the S&P/ASX 300 Index and which has a market capitalisation of \$300 million or less. The Company is an eligible entity for these purposes.

This Resolution seeks Shareholder approval by way of special resolution for the Company to have the additional 10% capacity provided for in Listing Rule 7.1A to issue equity securities without Shareholder approval.

If this Resolution is passed, the Company will be able to issue equity securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If this Resolution is not passed, the Company will not be able to access the additional 10% capacity to issue equity securities without shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing equity securities without Shareholder approval set out in Listing Rule 7.1.

### 5.2 Specific information required by Listing Rule 7.3A

#### (i) Period for which approval is valid

An approval under Listing Rule 7.1A commences on the date of the annual general meeting at which the approval is obtained and expires on the first to occur of the following:

- (a) The date that is 12 months after the date of the annual general meeting at which the approval is obtained.
- (b) The time and date of the Company's next annual general meeting.
- (c) The time and date of the approval by Shareholders of a transaction under Listing Rule 11.1.2 or Listing Rule 11.2.

#### (ii) Minimum price at which equity securities may be issued

Any equity securities issued under Listing Rule 7.1A must be in an existing quoted class of the eligible entity's equity securities and issued for a cash consideration per security which is not less than 75% of the volume weighted average market price for securities in that class, calculated over the 15 Trading Days on which trades in that class were recorded immediately before:

- (a) the date on which the price at which the securities are to be issued is agreed by the entity and the recipient of the securities; or
- (b) if the securities are not issued within 10 Trading Days of the date in paragraph (a), the date on which the securities are issued.

(iii) Purposes for which funds raised may be used

Equity securities can only be issued under Listing Rule 7.1A for a cash consideration. Funds raised by the issue of equity securities under Listing Rule 7.1A may be used for the continued development of the Company's current assets, the acquisition of new assets or other investments (including expenses associated with such acquisition), and for general working capital.

(iv) Risk of economic and voting dilution

If this Resolution is approved by Shareholders and the Company issues equity securities under Listing Rule 7.1A, the existing Shareholders' voting power in the Company will be diluted.

There is a risk that:

- (a) the market price for the equity securities in that class may be significantly lower on the issue date than on the date of the Shareholder approval under Listing Rule 7.1A; and
- (b) the equity securities may be issued at a price that is at a discount to the market price for those equity securities on the issue date.

The table below shows the potential dilution of existing Shareholders on the basis of 3 different assumed issue prices and values for variable "A" in the formula in Listing Rule 7.1A.2. This includes one example that assumes that "A" is double the number of Shares on issue at the time of the approval under Listing Rule 7.1A and that the price of Shares has fallen by 50%.

Number of Shares on Issue (Variable "A" in Listing Rule 7.1A.2)	Number of Shares issued under additional 10% capacity	Dilution		
		Funds raised based on issue price of 1.75 cents	Funds raised based on issue price of 3.5 cents	Funds raised based on issue price of 7 cents
		(50% decrease in current issue price)	(Current issue price)	(100% increase in current issue price)
696,983,676 (Current)*	69,698,368	\$1,219,721	\$2,439,443	\$4,878,886
1,045,475,514 (50% increase)	104,547,551	\$1,829,582	\$3,659,164	\$7,318,328
1,393,967,352 (100% increase)	139,396,735	\$2,439,443	\$4,878,886	\$9,757,772

\*The number of Shares on issue (variable "A" in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

The table has been prepared on the following assumptions:

1. The current Shares on issue are the Shares on issue as at 12 September 2023.

2. The issue price set out above is the closing price of the Shares on the ASX on 12 September 2023.
3. The Company issues the maximum number of equity securities available under the additional 10% capacity.
4. No Options are exercised into Shares before the date of the issue of the equity securities.

(v) Allocation Policy

The Company's allocation policy for the issue of equity securities under the additional 10% capacity will depend on the prevailing market conditions at the time of any proposed issue. The identity of the allottees of equity securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:

- (a) the methods of raising funds that are available to the Company, including but not limited to, a rights issue or other issue in which existing security holders can participate;
- (b) the effect of the issue of the equity securities on the control of the Company;
- (c) the financial situation and solvency of the Company; and
- (d) advice from corporate, financial and broking advisers (if applicable).

The allottees under the additional 10% capacity have not been determined as at the date of this Notice but may include existing substantial shareholders and/or new Shareholders who are not related parties or associates of a related party of the Company and may include new investors who have not previously been Shareholders.

(vi) Equity securities issued under Listing Rule 7.1A.2 in the previous 12 months

The Company has not issued or agreed to issue any equity securities under Listing Rule 7.1A.2 in the 12 months preceding this Meeting.

(vii) Voting Exclusion Statement

A voting exclusion statement is included in the Notice. At the date of the Notice, the Company has not approached any particular existing shareholder or security holder or an identifiable class of existing security holder to participate in the issue of the equity securities. No existing shareholder's votes will therefore be excluded under the voting exclusion in the Notice.

## **6. RESOLUTION 5 – AMENDMENT TO THE CONSTITUTION**

### **6.1 Background**

Under section 136(2) of the Corporations Act, a company may modify or repeal its constitution or a provision of its constitution by a special resolution of Shareholders.

This Resolution seeks the approval of Shareholders to amend the Company's Constitution by making the amendments set out in Section 6.3 below.

A copy of the amended constitution as marked up is available for review by Shareholders at the office of the Company. A copy of the amended constitution can also be sent to Shareholders upon request to the Company Secretary. Shareholders are invited to contact the Company if

they have any queries or concerns.

## 6.2 Proposed amendment

This Resolution proposes to amend the Constitution to account for recent developments in law and general corporate practice for ASX-listed companies to use virtual meeting technology to hold meetings of Shareholders.

The *Corporations Amendment (Meetings and Documents) Act 2022* amends the Corporations Act to allow for meetings of members to be held physically, as a hybrid or, if expressly permitted by the entity's constitution, virtually (provided that members, as a whole, are given a reasonable opportunity to participate in the meeting).

The Company's current Constitution does not permit the Company to hold wholly virtual general meetings. The Company would like to amend its Constitution to ensure that the Company will be able to take advantage of the increased flexibility and accessibility that the virtual meetings provision offers in respect of general meetings.

Virtual meetings are those which are held entirely online utilising audio or audio and visual communication technology.

## 6.3 Amendments to the Constitution

It is proposed that the Constitution be amended by deleting Rule 6.7 of the Constitution in its entirety and replacing with the following:

### "6.7 Use of technology at General Meetings

- (a) *To the extent permitted under the Corporations Act, Listing Rules and any other applicable law, a general meeting may be convened using virtual technology only, or at two or more venues, provided that the form of technology used provides all Members entitled to attend the meeting, as a whole, a reasonable opportunity to participate in the meeting without being physically present in the same place.*
- (b) *The provisions of this Constitution relating to general meetings apply, so far as they can and with any necessary changes to ensure compliance with the Corporations Act, Listing Rules and any other applicable law, to general meetings held using that technology.*

*Where a general meeting is held using virtual technology only or at two or more venues using any form of technology:*

- (i) *a Member participating in the meeting is taken to be present in person at the meeting;*
- (ii) *any documents required or permitted to be tabled at the meeting will be taken to have been tabled at the meeting if the document is given, or made available, to the persons entitled to attend the meeting (whether physically or using technology) before or during the meeting; and*
- (iii) *the meeting is taken to be held at the physical venue set out in the notice of meeting, or at the registered office of the Company if the meeting is held using virtual technology only.*

#### 6.7A *Communication of meeting documents*

*To the extent permitted under the Corporations Act, Listing Rules and any other applicable law, any document that is required or permitted to be given to a Member that relates to a Members' meeting (including, but not limited to, the notice of meeting) may be distributed:*

- (a) *by means of electronic communication; or*
- (b) *by giving the Member (by means of an electronic communication or otherwise) sufficient information to allow the person to access the document electronically."*

#### 6.4 **Board recommendation**

This Resolution is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders eligible to vote.

The Board recommends that Shareholders vote in favour of this Resolution.
